What You Need to Know About Serving on a Cursillo Team

Thank you for your willingness to consider serving on a Cursillo team. The call to be on a team implies the need for a good deal of dedication and commitment — commitment to the rector or rectora, to the team, to the candidates, to the Cursillo Movement and most of all to Christ.

Before sending in your application, please be aware of the following points.

1. Team applications can be submitted at any time, however you will not be eligible to serve on a team until one year after your original Cursillo. Once you have served on a team, your application will again be held out of the team database for one year. This is to allow others to have the opportunity to serve.
2. First time team members will serve as an auxiliary (table leader). When we say “yes” to being an auxiliary, we are also saying “yes” to the possibility that we would be willing to be a rollista, an assistant rector/a and even a rector/a in the future.
3. Calls to be on a team are made by the rector/a, generally 2-3 months before start of team meetings so that scheduling arrangements can be made. They will provide you with the dates of team meetings – check your schedule before saying “yes” to serving on a team.
4. Attendance at team meetings is vital. You will be expected to attend 7 regular team meetings. If you are on the leadership team (all those NOT at a table), there is one additional (8th) meeting referred to as the “Leader’s Meeting.”
5. Attendance for the entire weekend from Thursday evening through Sunday evening is required.
6. Non-Catholics can serve on a Cursillo team in the role of auxiliary, food service, service team and specific rollos. These non-Catholic individuals are NOT eligible to serve as sacristan, assistant rector/a or as rector/a. Any non-Catholic ministers must be approved by the Quincy Cursillo Spiritual Director.
7. Team members are expected to pay for the cost of the weekend – currently \$165. Assistance is available to those who need it. Speak to the Board Representative for that specific weekend to request assistance.
8. Once team formation is complete and the weekend begins, team members need to keep in mind that they are there for the candidates. If the team member has any personal or health issues that would preclude them from focusing completely on the candidates, he/she should delay saying “yes” to being on a team until those issues are resolved.
