A Cursillo weekend follows a structured format and is meant to progressively build upon each of the weekend's previous activities. Because of that, a candidate should be prepared to participate fully in all that is offered on the weekend. Also, to maintain the continuity of the weekend, candidates are expected to remain at the retreat center for the complete weekend, including overnight. If your health requires you to have a caregiver to help you during the weekend, please have your sponsor get an okay from the Cursillo board. Arranging for your caregiver will then be your choice and responsibility.
